WOODLAND COFFIN RANGE

Bamboo – is the fastest growing plant on Earth, growing up to a metre a day. Our species of bamboo *Phyllostachys Pubescens* does not form any part of the Chinese panda’s diet and pandas do not live in Hunan Province.

Bamboo – from Ecoffins. £ 570.00 (£ 2,905.00)

Bamboo Lattice – from Ecoffins. £ 570.00 (£ 2,905.00)

Bamboo Tear Drop – from Tributes Ltd. £ 650.00 (£ 2,985.00)

Pandanus – or wild pineapple is the environmentally friendly alternative to seagrass, a plant which grows in warm coastal waters. Seagrass soaks up carbon dioxide from the seafloor, locking it away indefinitely, unless it is disturbed. It is also home to many nursery fish. Seagrass is therefore an incredibly important plant which needs to be conserved. Pandanus, on the other hand, is a prolific and fast growing plant which is easy to sustain.

Pandanus – from Ecoffins. £ 675.00 (£ 3,010.00)

Willow – a deciduous tree found primarily in temperate regions of the Northern Hemisphere. Almost all willows take root very readily from cuttings taken from the original crown, or even where broken branches are left lying on the ground.

Willow Natural – from Ecoffins & Tributes Ltd. *from* £ 685.00 (£ 3,020.00)

Willow Light – from Ecoffins *from* £ 720.00 (£ 3,055.00)

Cardboard – made from carton board materials produced from unbleached pulp containing a minimum 80% recycled paper, plus wood pulp sourced from sustainable forests. Only natural starch based glues are used – no bolts, screws, tape or other fixings. The handles are made from natural woven cotton. Available in dark green or brown.

Standard Cardboard – from Bradnam Joinery. £ 420.00 (£ 2,755.00)
